

Message for the Week of November 3rd.

Today we held a Mock Election and here are the results for Middle Division:
McCain and Palin, 51 votes: Obama and Biden, 85
Daniels and Skillman, 98; Long Thompson and Oxley, 29; Horning and Kelly, 7

For the entire school the results were 86 for McCain and 173 for Obama.

It will be interesting to see how close we are with the nation. I was at the polls this morning at 5:45 and already about 250 voters were in front of me.

Our Academic Olympic Team, under the direction of Andrea Neal, finished 1st in round 2 at Cathedral High School on Saturday by beating Our Lady of Greenwood, 34-28. Caroline Tucker, Katie Scott, CJ Harrington, 8th graders, Alexandra Lombardo, 7th grader, and Andrew Hammond, 6th grader, "did us proud." Zachary Li and Alexander Rossebo served as alternates. Congratulations to the team and Mrs. Neal! The next round will be on November 15th.

Don't forget the Global Gifts Helping Hands Festival at St. Richard's Gym on Saturday, 10:30-4:00 with a special presentation at 9:30 AM. Check out the posters in the school for more information.

Term 1 ends a week from Friday on the 14th. Teachers will be letting you know if there is work for your child(ren) to accomplish yet, or if their grades are low.

Enjoy the short week. Middle Division teachers will be working here, visiting teachers at other schools on their grade level, taking trips related to their discipline, reading professional materials, or working on their evaluation goals. We hope the wonderful weather holds all week and you can do something special with your family.

Please note the following message, as the day is a change from previous years:
